The "Conch Republic" is a festive island of colorful restaurants and characters in what may as well be the tropics. America's southernmost tip, where Harry Truman spent his summers playing cards and running the country, is a non-stop delight. Visit Hemingway's house where you'll find his original manuscripts and many of his famed six-toed cats. And while you're on the island be sure to sample its culinary treasures, such as conch salad and world-famous key lime pie.

Cozumel, Mexico

Long before Cancun became a popular destination, Cozumel was well-known as a diving spot and home to the world famous Palancar Reef, which gives divers the opportunity to view thousands of brilliantly colored fish. Non-divers can kick back on a sun-drenched beach, or enjoy any number of seaside activities, such as shopping in colorful marketplaces or dining in an open-air-café.
